

2025 SPORTS PROSPECTUS

Leaping Hearts, Leaping Minds

About this Booklet

This booklet contains information to help you find out about the extra-curricular sports that we offer at Sherwood Primary.

To register, you will need to complete the appropriate Google form. These are shared via Seesaw throughout the year and can also be found in our school newsletters.

If you can't find what you are looking for, please visit our school website, contact the school office or Andrew Smart (PE Specialist & Sports Coordinator). Please keep this booklet somewhere safe for your easy referral.

- Our parents and volunteers use kind words on and off the field/court/pool

Respect

- Our players show respect for themselves, the opposition, coaches and the officials
- Our parents/guardians and volunteers show respect for themselves, the opposition, coaches and the officials

Togetherness

- Our players participate fully in trainings and games
- Our parents/guardians and volunteers support our players and coaches
- Together we represent Sherwood in a positive, fun way

Parents Code of Conduct

- Keep it fun
- Remember mistakes are for learning
- Focus on effort and improvement
- Please support everyone, including the opposition
- Accept referee's/umpire's decision
- Demonstrate good sportsmanship

Coaching and Managing

We rely heavily on parent volunteers to run our sports teams. Without your help, our students would not get to experience the benefits that come with participating in individual/team sports. We offer a range of resources to help our coaches and managers. If you are interested about a certain sport and wish to get involved either by coaching or managing, please contact Andrew at andrews@sherwoodprimary.school.nz

Our expectations for our teams is that they participate in at least one training a week. This helps players develop game skills, friendships and confidence within teams.

Registering for a Sport

To register for a sport please complete the appropriate Google form. Please note, registration forms are shared via Seesaw and our school newsletter. Some sports are only available in certain terms of the year. If you are having difficulty registering for a sport, please contact Andrew at andrews@sherwoodprimary.school.nz

If there is a certain sport your child is interested in but we do not offer it, please let us know and we can direct you to a local club or look at the possibility of creating a Sherwood team.

Selection of Teams

We generally do not run trials for our teams. Instead teams are selected on the number of players available in a 'first in, first served' basis. If teams are full then we attempt to make multiple teams so that no one misses out. Where possible we will coordinate with other local schools to create hybrid teams so no one misses out. Please note this is not always possible so players are subject to be placed on a waiting list. In the case of picking multiple teams for a certain sport, we try to build teams based on various experience levels to encourage player development.

Sport Classes

Sport classes take place either during school lunchtimes or after school. Classes are run by third party organisations.
